

ANSSER

Apomine® Nurse Support Service

The complete ANSSER to your
Apomine® Solution for Infusion
nursing needs.

ANSSER (Apomine[®] Nurse Support Service): A national team of mobile, registered nurses with training in Parkinson's disease.

The ANSSER Program provides nursing support services to patients, clinicians and nurses both in-unit and out in the community.

Through valuable face-to-face and phone access to nursing support in metro, non-metro and private centres, ANSSER provides the resources required to enable Apomine[®] to be offered as a treatment choice.

Via 1800 276 646 ANSSER nurses provide patients, carers and specialist care teams with peace of mind and enhance the care of patients with Parkinson's disease (PD) using Apomine[®].

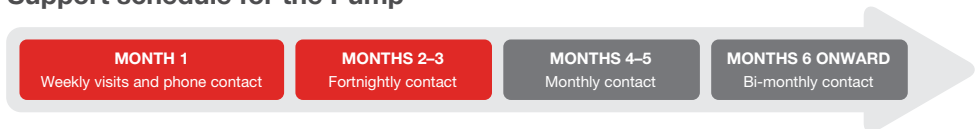

ANSSER provides support on the phone, in hospital and at home.

ANSSER for healthcare professionals	ANSSER for patients
<p>Call 1800 276 646 to arrange for the qualified, PD-trained, registered ANSSER nurses to conduct/manage:</p> <ul style="list-style-type: none">• Pre-assessment consultation• Dose-finding assessment• Pen/Pump programming, initiation and training• Download and interpretation of the DATA-mine® Reports from the D-mine® pumps for individualised therapy optimisation• Dose adjustment at patient's home in consultation with the prescribing physician• Ongoing routine training for unit staff• One-on-one training with new nursing staff• In-service training for hospital, aged care facility staff and community nursing services <p>ANSSER nurses also provide valuable support to healthcare professionals by providing feedback to clinicians after patient visits.</p>	<p>Call 1800 276 646 for treatment specific support.</p> <ul style="list-style-type: none">• Individual patient support at home• Free telephone support service• Assistance with access to Pen/Infusion consumables and pump accessories• Assistance with NDIS applications where appropriate• Provision of patient support materials• Skin care advice• Pen/Pump assistance – operation, care and replacement

Patient-centred support

ANSSER provides as-needed support for patients initiated on the D-mine® Pen, and scheduled, on-going support for those initiated on the D-mine® Pump.

Support schedule for the Pump

NOTE: The 1800 276 646 phone service is available every Monday to Friday (except public holidays), from 9am to 5pm Australian Eastern Standard Time (AEST). Each nurse will have a specific roster which may be subject to change. If you require contact with a specific nurse, please call 1800 276 646 to facilitate your request.

The ANSSER Program is administered by ASCOTT Sales Integration. ABN 96 094 015 255. 141 Walker Street, North Sydney NSW 2060. Tel: (02) 9439 9770.

The ANSSER nursing service can only be engaged after a decision to prescribe Apomine® has been made.
